## “ROYAL” STAINLESS STEEL STRAPPING

We manufacture stainless steel strapping and the corresponding stainless steel seals & buckles in sizes varying from 3/8” x .015 to 3/4” x 0.030. We can provide you with these quality products at a competitive price.

Our stainless steel strapping is made from PRIME steel obtained from U.S. STEEL MILLS and manufactured at our plant in Roslyn, NY.

We have no minimums and all of our products are made in the U.S.A. every step of the way.

\*If there is a product you need and do not see it listed please feel free to contact us. We have ribbon or oscillated wound coils (30 – 100lb), Type 316 Stainless Steel as well as stainless steel strapping seals available in Open, Closed and Pusher style.
